Trace the Christmas Alphabet with our friend Happy Honeybee.

A collection of 26 star-shaped cards, each containing a letter of the alphabet from 'a' to 'z' in a dotted font for tracing. The cards are arranged in a grid-like pattern. Interspersed among the cards are various Christmas-themed illustrations: a gingerbread house, Santa Claus with gifts, a wreath, a Christmas tree, a pudding, a candle, a gingerbread man, a snowman, and a red bow.
