Help our friend Humble  Honeybee in the multiplication table.

$4 \times 3 = \square$	$5 \times 5 = \square$
$7 \times 5 = \square$	$2 \times 9 = \square$
$1 \times 2 = \square$	$7 \times 8 = \square$
$6 \times 4 = \square$	$6 \times 5 = \square$
$0 \times 9 = \square$	$9 \times 3 = \square$
$7 \times 7 = \square$	$3 \times 4 = \square$
$8 \times 6 = \square$	$6 \times 6 = \square$
$5 \times 0 = \square$	$2 \times 8 = \square$
$9 \times 5 = \square$	$4 \times 4 = \square$
$3 \times 3 = \square$	$4 \times 0 = \square$

Thank you for joining me

Happy Learning 😊
