Our Singapore, Our Home

Singapore National Day is celebrated on 9th August every year. It is a special day for all Singaporeans. On this day in 1965, Singapore became an independent and sovereign nation. National Day is a time to remember our journey, celebrate our achievements and look forward to a brighter future.

We thank the pioneers who worked hard to build our country. They faced many challenges but never gave up. Today, Singapore is a peaceful, safe and prosperous home for people of many races, languages and religions.

On National Day, we sing the National Anthem, recite the Pledge, and watch the exciting National Day Parade. The parade shows our strong defence, unity and the spirit of never giving up.

As Singaporeans, we can play our part by keeping our country clean, being kind to one another, studying hard and contributing to the community. Together, we can build a stronger and better Singapore!
