Teacher's Day Speech

Good morning respected Principal, teachers, and my dear friends.

Today, I am very happy to speak a few words about **Teacher's Day**.

Teacher's Day is celebrated every year on **September 5** in India. This day marks the birthday of **Dr. Sarvepalli Radhakrishnan**, a great teacher, philosopher, and the second President of India.

Teachers play a very important role in our lives. They teach us new things, guide us when we face difficulties, and encourage us to become better every day. They help us discover our talents and believe in ourselves.

Teachers do much more than teach lessons from books. They teach us important values like kindness, honesty, discipline, respect, and responsibility.

On this special day, we thank all our teachers for their patience, care, and hard work. We are truly grateful for everything they do for us.

I would like to wish all our wonderful teachers a very **Happy Teacher's Day!**

Thank you and have a wonderful day!
