

Gandhi Jayanti Speech

Good morning everyone,

Today, we are celebrating **Gandhi Jayanti**.

Mahatma Gandhi was a great leader of India. He was born on **2 October 1869**. He taught us the importance of **truth, peace, kindness, and non-violence**.

Gandhi ji wore simple clothes and used a walking stick. He also wore round glasses. He believed that we should always speak the truth and help others.

We celebrate Gandhi Jayanti every year on 2 October to remember his life and teachings.

Let us follow his message and always be kind, honest, peaceful, and helpful.

Thank you. Jai Hind!
